

Postgraduate Scholarship for International Scholars

University of Ulsan

1. Scholarship Scheme

- a. UOU welcomes international scholars from all over the world to our postgraduate programmes; Master's, Doctoral and Combined(Master's & Doctoral) course.
- b. To apply for the scholarship, an applicant is advised to follow the process below.
- Visit UOU Global Homepage. (<http://global.ulsan.ac.kr>)
 - Find the course and department to apply for ('Academics' menu)
 - Search for the faculty whose research area is in your interest.
 - Contact the professor and discuss your admission and scholarship.
- * At UOU, the admission and scholarship decision is thoroughly made by the professor.**

2. Scholarship Layout

* Entrance fee applies to all applicants. (Except for Korean Government Scholarship Grantees)

* The above scholarship is not applied to the applicants who are employed in Korea with a working visa. These applicants may apply for an Industry scholarship(10% of Tuition).

3. Additional Funding

- a. At UOU, most postgraduate students in Natural Sciences and Engineering receive additional funding from the advisor. Discuss the additional funding opportunity with the professor. (Average amount of the additional funding is around USD 500 for Master's students and USD 1,000 for Doctoral students)
- b. Applicants who receive additional funding are exempted from the submission of 'Documents for Financial Status', one of the required documents for admission. (The advisor submits the documents to UOU international)

4. Condition of Scholarship

- a. The scholarship is granted for up to 4 semesters for Master's, 6 semesters for Doctoral and 8 semesters for Combined course.
- b. Applicants who are employed(including self-employed person) in Korea with a working visa could only apply for an Industry scholarship(10% of Tuition).
- c. A student is not eligible for the scholarship if,
 - one full year has not passed after a disciplinary action was taken against him/her,
 - his/her GPA in the previous semester is below 3.0 out of 4.5
 - he/she has been already given another scholarship exceeding the tuition fee for the semester. (In case another scholarship amount dose not exceed the tuition fee for the semester, the balance amount will be provided to the student for UOU International Graduate Scholarship)
